

„Take 10! Data visualizations” / Zamek Cieszyn 15.07–18.07.2014

Zamek Cieszyn invites students and designers to participate in the Summer School of Design 2014.

This time we will create infographics and data visualizations. For each of them hides a process and a story. We have for you a few great stories! Join to the workshop to create infographics inspired of Zamek Cieszyn's 10th Anniversary which we're going to celebrate in 2015. We are waiting for designers, for whom Cieszyn's design center will be a source of knowledge and inspiration to create a unique data visualizations.
